

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

At a time when American democratic ideals are under assault from every side, we need an independent media more than ever. Please serve the American people, not the mega corporations, and act in the public interest by protecting the current regulations.

Thank you.
